

CHELAN FIRE and RESCUE

Position Announcement: Firefighter/Emergency Medical Technician

Chelan Fire and Rescue will be establishing an eligibility list for future hiring of a full time Firefighter/EMT, Summer Seasonal Firefighter/EMTs and Paid on Call Firefighter/EMTs. There is one position open.

Applications may be picked up from Chelan Fire and Rescue at 232 E. Wapato Chelan, WA 98816 starting on September 18, 2017 at 0900 hours. Applications must be dropped off to the administrative office by 1700 hours on October 6, 2017 to be considered.

Description:

Firefighter/EMT work includes responding to and dealing with emergency situations, natural conditions that pose a threat to life and property, and incidents of service to the citizens. Employees in this position are responsible for the protection of life and property through firefighting activities, emergency medical services, fire inspection activities, public education and other like duties. They perform a full range of emergency work under adverse and strenuous physical conditions. Firefighter/EMTs have a high risk of exposure to hazardous conditions, toxic chemicals and infectious diseases encountered during firefighting or emergency medical incidents.

Firefighter/EMTs perform duties in the following areas: emergency firefighting operations (structural, wild land, vehicles), emergency medical operations, special rescue operations, company level fire & life safety building inspections, other fire prevention programs, public education, public relations, maintenance of apparatus, equipment and facilities, testing of fire hydrants, hose, ladders, pumps, instructing fire service and medical aid training sessions and other duties as directed by the Fire Chief.

Work Schedule:

- Paid-On-Call: maximum of 30 hours a week. Day shift, night shift and weekends.
- Summer Seasonal: 40 hours a week. Day shift, night shift and weekends.
- Full Time: 49 hours a week. 24 hour shifts and/or day shifts.
