

CHELAN COUNTY RESOLUTION NO. 2020- 70
HIGH FIRE HAZARD TRAVEL AND ACTIVITY RESTRICTIONS

WHEREAS, the Board of Chelan County Commissioners are authorized, based on the recommendation of the Fire Advisory Board, to officially determine and announce when any area or County road shall be designated as a **HIGH** fire hazard area, taking into account the need to prevent occurrence of fires which might be caused by recreational, residential, commercial, industrial and other activities; and,

WHEREAS, the Board of Chelan County Commissioners designated all unincorporated areas of Chelan County as moderate fire hazard area with Resolution 2020-54; and,

WHEREAS, the Fire Advisory Board Chairman, based on the current and forecasted conditions recommended designation of a fire hazard area and implementation of **HIGH** travel and activity restrictions; and,

BE IT FURTHER RESOLVED by the Board of Chelan County Commissioners that all unincorporated areas of Chelan County be designated a fire hazard area and that **HIGH** Travel and Activity Restrictions shall be enforced throughout all the unincorporated areas of Chelan County, including those unincorporated areas within a Chelan County Fire District. A list of area and road designations are identified in Exhibit A. Each of these roads and areas are subject to HIGH travel and activity restrictions. Per Chelan County Code Chapter 7.52, travel and activity restrictions shall be as follows:

1. Travel Restrictions:

- (i) No operation of any motor vehicles off the roadway.
- (ii) Restricts travel on county roads, except for the following:
 - a. Bona fide residents;
 - b. Landowners and leaseholders to access land to perform work to protect property;
 - c. Authorized and official business only;
 - d. Access to open public lands for legitimate purpose/use;

2. Area Activity Restrictions include:

(i) No Fireworks. Use, display, and discharge of all fireworks are prohibited.

(ii) Restricted Outdoor Fires. No person shall build, ignite, or maintain any outdoor fire of any kind or character, or for any purpose whatsoever, in or upon any high fire hazard area, except by the authority of a written permit or approval from the appropriate fire protection agency.

Exception: No permit will be required for outdoor fires on private residential premises or designated campsites where such fires may be built in a permanent barbecue, portable barbecue, outdoor fireplace, or grill. Such a permit shall incorporate such terms and conditions to reasonably safeguard public safety and property.

(iii) Restricted Open Flame Devices. No person shall operate or use any device liable to start or cause fire in or upon any high fire hazard area, except for the approved open flame devices listed below or by the authority of a written permit from the appropriate fire protection agency:

(a) Approved Open Flame Devices. Liquid gas stoves or fires, including:

(I) Pressurized gas camp stoves, catalytic heaters, and white gas camp stoves and lanterns.

(II) Commercially made labeled barbecue devices.

(III) Stove or fireplace fires completely contained within a home or residence.

(IV) Propane or pressurized white gas warming devices with a shield and base.

(V) An enclosed solid fuel fire that utilizes a wick to distribute the flame.

(VI) Commercial operators can obtain a permit from the county fire marshal or permission from the appropriate fire protection agency for non-labeled devices.

BE IT FURTHER RESOLVED that notice of restrictions be posted accordingly and upon such posting shall become effective, and shall remain so until September 30, 2019. A list of area and road designations shall be kept in the Chelan County Public Works Department.

DATED at Wenatchee, Washington this 29th day of June, 2019.
